PROFILE SUMMARY

I am a highly motivated and detail-oriented Frontend Developer with a strong academic background in Computer Applications, graduating in 2026. Though I am a fresher, I have a deep passion for web development and a solid understanding of front-end technologies. My academic journey has equipped me with foundational knowledge of programming languages, problem-solving, and analytical skills, which I am eager to apply in real-world scenarios.

WORK EXPERIENCE

Venix

2026-PRESENT

Department Of Project Management

- Led the development and implementation of comprehensive marketing strategies that resulted in a 20% increase in brand visibility and a 15% growth in sales within the first year.
- Successfully launched and managed multiple cross-channel campaigns, including digital marketing, social media, and traditional advertising, resulting in improved customer acquisition and retention rates.

Techwiz (Part Time)

2023-2025

Assistance Management

- Conducted market research to identify emerging trends and consumer preferences, providing valuable insights for product development and positioning.
- Oversaw the creation of engaging content for various platforms, collaborating with internal teams and external agencies to ensure brand consistency and relevance.

Game 360 (Part Time)

2020-2023

Helper And Assist

- During my time at Game 360, I gained valuable experience in managing and maintaining gaming operations. My role involved overseeing gaming equipment, ensuring smooth functionality, and resolving technical issues promptly to enhance the customer experience.
- I also provided excellent customer service by explaining game rules, addressing player concerns, and ensuring fair play in accordance with company policies.
